### **【NOTE】**

In accordance with [the Academic Regulations](#) 10, Students shall make the tuition, miscellaneous and related fee payments on or before the day when each semester starts (the exact date is published in the academic calendar of the university). A student is deemed to have completed the registration process when s/he completes the tuition, miscellaneous and related fee payments. Student who fails to complete the registration process within five days (starting from the second day of the beginning of the semester) shall apply for late registration. The period of late registration is up to two weeks after the semester starts. Student who fails to complete the registration process after the late registration period ends, shall be expelled from the university unless s/he makes an application for and is approved to further extension due to special reason.
